MONITORING & COMPLIANCE REPORT

July 2009 - March 2010

Introduction

CONTACTS WITH THE COMMISSION

The telephone continued to be the public's preferred method of contacting the Commission. Five hundred and seventy-six (576) contacts were recorded for the period under review; July 2009 - March 2010. Of this number, forty-four (44) resulted in investigations of licensed cable, radio or television operators. This level of investigation represents a decrease of forty-nine percent (49%) when compared to the similar period last year.

Twenty-seven (27) Notices of Breach were issued during the period under review.

Complaints Resolution

Except for matters that fall outside the Commission's mandate, all reports of possible breaches of licence are investigated. As soon as the investigations are completed, the complainants and the relevant licensees are notified of the outcome, and the Commission considers the matter resolved.

Forty-eight (48) complaints were resolved during the period under review.

Table 16 shows the categories of complaints resolved while **Table 17** details the grounds on which the Commission was able to close those investigations.
