### **Broadcasting Commission Deeply Saddened by the Passing of Greta Bogues**

The Broadcasting Commission of Jamaica is deeply saddened to learn of the passing of Greta Bogues.

Miss Bogues was an outstanding corporate executive and an expert in corporate governance. Over several years, she worked to develop director's tools to support strategic board oversight in both the private and public sectors. In 2001, she spearheaded the establishment of the PSOJ Corporate Governance Committee, which trained executives in principles of corporate governance and was also instrumental in establishing the public sector corporate governance awards.

The Commission, like many other public and private sectors bodies, benefitted greatly from her expertise, working closely with Ms Bogues to modernise the BCJ's corporate governance framework.

Her passing has left a void in the Jamaican Business and civic Community.

The Broadcasting Commission extends heartfelt condolences to Ms. Bogues' family and colleagues.
